A household of one means a child who is his or her sole support. Foster children are one-member households only if the welfare or the placement agency maintains legal responsibility for the child. Household is synonymous with family and means a group of related or unrelated individuals who are not residents of an institution of boarding house, but who are living as one economic unit sharing housing and all significant income and expenses. This scale does not apply to households that receive Food Stamps, Kin-Gap, Or FDPIR benefits or children who are recipients of CALWORKS. Those children are automatically eligible for free meal benefits.

In the Adult Care Component of the Child and Adult Care Food Program, a household includes the adult participant and, if residing with the participant, the spouse, and any persons who are economically dependent on the adult participant. This scale does not apply to members of Food Stamp households, or recipients of Supplemental Security Income, Medicaid/Medi-Cal, or Food Distribution Program On Indian Reservations benefits. Those participants are automatically eligible for free meals.
