

5TH GRADE RECYCLING PROGRAM

Congratulations to the Dirty Jobs crew who separated and crushed an entire truck full of bottles and cans. We are now ready to redeem the goods for cash! A HUGE THANK YOU to Espen, Dylan and Nick Johnston, Dylan Jones, Patrick, Lucas, Dominic, Scottie, and Timmy for all their hard work. A special thanks goes to Christine Garnett, Patrick's Mom for filming the entire event. We look forward to accepting the Oscar for best documentary in the Green division at the Academy awards this spring.
