April Philips Design Works
200 Gate Five Rd, Suite 102
Sausalito, CA 94965

Dear April,

Congratulations. Your project, **Dixie Elementary School Rain Garden** is officially recognized as a Bay-Friendly Rated Landscape. This means that a third-party Bay-Friendly Landscape Rater, in this case Design Community & the Environment, has verified that the project has completed all required practices and earned **121** points on the Bay-Friendly Landscape Scorecard for Civic, Commercial and Multifamily projects.

The Bay-Friendly Landscape Scorecard for Civic, Commercial and Multifamily projects has 9 required practices and requires a minimum of 60 points on the Bay-Friendly Landscape Scorecard.

Specifically you have earned points under the following 7 Bay-Friendly Landscape Principles.

21	Landscape Locally
17	Less to the Landfill
15	Nurture the Soil
26	Conserve Water
6	Conserve Energy
22	Protect Water & Air Quality
14	Create & Protect Wildlife Habitat

Having a Bay-Friendly Rated Landscape means that your organization has exceeded conventional landscapes practices in the areas of waste prevention and recycling, resource conservation, pollution prevention, water conservation and wildlife habitat. We thank you for your commitment and hope others will follow your lead.

Enclosed is your Bay-Friendly Landscape sign recognizing your achievement and registering your landscape as Bay-Friendly Rated.

Sincerely,

Teresa Eade
Senior Program Manager
Bay-Friendly Landscaping
