GREEN: Environmentally Friendly Buses

- Dixie District School buses use "Green Diesel Technology"
- GDT cuts gaseous hydrocarbons and particulate emissions by 99%
- No-smoke, no-smell and near zero emission levels

An illustration of a school scene. On the left is a red school building with a bell tower. In the foreground, several children are walking and playing. On the right, a yellow school bus is parked. A boy is riding a skateboard towards the bus. The bus has 'DDV' written on its side. The background shows green hills and a blue sky with a yellow flag flying from the bell tower.

SAFE: Did you know?

Which is the SAFEST way to get to school?

- Riding Bike or Scooter?
- Driving in your car?
- Riding your school bus?

C! Riding your school bus with your friends!
