Welcome Back To School!

Dixie Home and School Club (DHSC) begins each year by sponsoring our annual **Welcome Back to School Parent Breakfast**. This low key event is a great way to start out the new school year. It gives us the opportunity to visit with old friends, meet new friends, and to learn about the many exciting volunteer opportunities available at Dixie School. Please join us on Tuesday, August 25th after drop off in front of the multi-purpose room.

New Families

Welcome to Dixie Elementary School. We would like to remind you that there is an orientation for new families scheduled on Monday, August 24th from 9:00 to 10:00 located in the multi-purpose room. This is a great introduction to Dixie School and a chance to meet our Principal, Patty Elliot.

It also gives you the opportunity to learn more about the Dixie Home and School Club and the many opportunities you will have to get involved. Don't forget **Meet Your Teacher Day** is also on Monday from 11:00 to 2:00.

Dixie Diner News

The new and improved Dixie Diner ordering information is included with this packet (yellow sheet)!

This year we have moved to an on-line ordering system which will make tracking lunch orders easier, much more efficient, and take a lot less volunteer hours to organize. Another benefit is we will be nearly paperless. Please make sure to review the new ordering instructions. If you have questions, contact Ronelle Scardina at Ronelle@comcast.net.

Volunteer News

GET INVOLVED!! The best way to get the most out of your child's education is to get involved. Please take a look at the Volunteer Sign-up Form (located on the back of this newsletter) and volunteer where you can. Your efforts assist us in helping Dixie School to be the best we can be!!

Green Team News

Dixie's Green Team is working to help our school be more eco-friendly. On **Recycle Fridays** have your child bring in your CRV recyclable plastic and aluminum items. Our wonderful Green Team hosts different fundraisers throughout the year which help us in remembering to conserve and preserve. Remember the three R's: Reduce, Reuse, and Recycle!!

Dixie School Website

This year we plan to communicate with our parents by going completely electronic. It is our hope to replace paper copies and to help our Green Team in reaching their goals for an eco-friendly school. You can find more information on our school website at dixieschool.com.

Your participation in our Dixie Diner Lunch Program helps raise additional money used to fund many of the DHSC programs. Thank You for your support!!

Don't' forget, we have moved to a "green" lunch program as well. So, have your child bring in their own lunch bag and a re-useable water bottle.
