

Go Online to Learn about Animals During the Ice Age

1. Select and illustrate animals to use in your narrative. Remember, only dogs can be your pets.
2. On the class web page, go to: [California! Coming to a New Land](#)
3. Read and refer to "Basic Information on Carnivores and Herbivores."

4. Look over each of these web sites carefully.

1. Ice Age Carnivores are meat eaters that preyed on other animals.

- [A. Dire Wolf](#)
- [B. Short-Faced Bear](#)
- [C. Sabertoothed Cat](#)
- [D. Lion](#)

2. Ice Age Herbivores are plant eaters, and were preyed upon by carnivores.

- [A. Mammoth](#)
- [B. Ground Sloth](#)
- [C. Horse](#)
- [D. Bison](#)
- [E. Dwarf Pronghorn](#)
- [F. Camel](#)

5. Select animals that you want to use in your narrative.

3. [Land of the Mammoth](#)

Listen to information about the sabertoothed cat (a carnivore,) and several herbivores.

4. [Ice Age Gallery](#)

at the Yukon Beringia Interpretive Center

6. Sketch your carnivore. Also, sketch its environment.

7. Sketch your herbivore. Also, sketch its environment.

8. What other animals might you want in your narrative? _____

Surviving in the Ice Age

Go to **5. [Can You Survive the Ice Age?](#)**

9. Take an adventure with these Ice Age People.
10. What did you learn about getting food and water, traveling in the winter, and dangers? What happened on the journey?

Continue on the back, if needed.
